LOGIC MODEL: Judicial District 1 Process			Outcomes*		
1.0 Inputs	2.0 Activities	3.0 Outputs	4.0 Short-Term Outcomes	5.0 Intermediate Outcomes	6.0 Long-Term
1.1 Attorneys 1.2 GALs 1.3 Youth 1.4 Best Practice Team 1.5 Caseworkers 1.6 Casey Family Programs 1.7 Annie E. Casey 1.8 Parents 1.9 Placement Providers NRC Consultants	2.1 Revise judicial and division procedures involving OPPLA youth 2.1.1 Revise court protocol for change in permanency goal to OPPLA that includes input from key stakeholders 2.1.2 Align the disparate processes involving OPPLA youth (PRT, EPMs, Emancipation Hearings, CWSA Reviews, etc.)	3.1 # of hearings following refined process (this measure will be further refined based on revised court protocol in 2.1) 3.2 Create survey to measure knowledge and perceptions about decision making regarding OPPLA youth. 3.3 Protocol for changing permanency goal to OPPLA developed 3.4 Inventory and review existing policies, procedures, and processes that currently exist for OPPLA youth – identifying how, when why, and how often each occurs.	4.1 Increase in specific and consistent court findings and orders. 4.2 Information is shared across systems leading to more informed decisions and a reduction in duplication of efforts. For example, PRT summary information included on court reports. 4.3 Revised protocol for OPPLA youth is established to reduce redundancies, improve information sharing between stakeholders and engage the youth.	5.1 Judges make more informed decisions about placement and permanency by having more input from stakeholders. This would be measured by surveying judges and magistrates pre and post implementation	6.1 Youth have better long-term outcomes 6.1.1 Permanent connections 6.1.2 Educational progress 6.1.3 Independent Living/Employment Skills 6.1.4 Permanency rating 6.2 Fewer youth with an OPPLA permanency goal 6.3 Reduction in the percentage of OPPLA youth in congregate care
	2.2 Develop composite permanency rating scale that expands around the Casey Family Programs ranking system (Composite Permanency Rating System)	3.5 Have ranking system developed and implemented and procedure for regular follow-up data collection to measure progress toward goal	4.4 All youth rated for establishment of baselines permanency rating index.	5.2 Improved permanency status for OPPLA youth – measured by an increase in average permanency rating for all OPPLA youth.	

	2.3 Increase compliance with presiding Judge orders (2013-2) for youth to attend court hearings. 2.3.1 Create youth-friendly notice of court hearings and send to youth prior to court. 2.3.2 Institute tracking to determine whether youth is present and if not, reason for missing hearing. 2.3.3 Review youth in court policy and address identified barriers.	3.6 Youth-friendly notice developed and sent to youth prior to permanency hearings 3.7 Percent of hearings in which youth notice is sent 3.8 Percent of OPPLA youth hearings in which youth is present	4.5 Youth attend permanency hearings more frequently and are more involved in court hearings.	5.3 Increased youth engagement in permanency planning (attendance and active involvement in hearings and PRTs)	
	2.4 Expand PRT process to include all OPPLA youth.	3.9 Number and percent of OPPLA youth involved in PRT process.	4.6 Increased youth involvement in permanency planning decisions.		
	2.5 Increase recruitment for alternative permanency placements and permanent connections (including non-relative supports) by enhancing family finding and diligent search	3.10 # of alternative permanent placements identified 3.11 # of and percent of youth with permanent connections identified 3.12 # of and percent of youth with permanent connections engaged/involved 3.13 # and percent of youth with family finding and diligent search efforts completed	4.7 Increased use of alternate placements and community resources for OPPLA youth. 4.9 Increase in number and percent of OPPLA youth with actively involved permanent connections.	5.4 More stakeholders invested in long-term permanency goal	

Targeted Dimensions of Capacity: ☐Knowledge, Attitudes, Beliefs ☐Resources ☐Leadership ☐Social Networks/Interagency Networks ☐Infrastructure, Functioning, Operations ☐Collective Identity/Connectedness ☐Critical Reflection/Evaluation

*PLEASE NOTE: Collecting data to measure the outcomes listed may or may not be within the scope of the TA project. They are listed here for planning purposes. For specific information on what will be measured please contact the TA provider listed.
