

OCR Applications / Verifications Frequently Asked Questions

NEW APPLICANTS

- **Q: I do not currently have an OCR contract. How do I apply?**
A: During March, we welcome you to complete the online form posted at <https://fs30.formsite.com/COCR/OCRFY18/index.html>. During other months, please start by [contacting OCR](#) with your resume and preferred [judicial districts](#) and [case types](#).
- **Q: Do I need to submit *letters of reference*?**
A: No. The application will only prompt you to supply *contact information* for three professional references. OCR may contact your references.
- **Q: Where can I submit additional documentation?**
A: Please do not mail, email, or try to upload any documents that aren't specifically requested in the online application form. To keep the application process fair and standardized, OCR cannot review additional unsolicited documentation.
- **Q: Can I preview the application contents?**
A: Yes—please consult the preview document posted at <http://www.coloradochildrep.org/attorney-center/applications/>.

CURRENT CONTRACTORS: GENERAL QUESTIONS

- **Q: OCR emailed me on March 1, but I can't find the online form.**
A: Do not ask for someone else's email or link—they may have received instructions to access a different form URL. Access your form through a hyperlink in the body of the email you received from OCR: look for a bold URL under the heading "To Access the Required Form." Click on that URL to follow the hyperlink, or copy and paste the URL into your web browser. Contact OCR if you need another copy of the email.
- **Q: OCR emailed me a form to complete on March 1. I expected a different form.**
A: All OCR contractors are required to complete one online form every March. Most contractors are only required to complete the more rigorous Renewal Application every three years. However, in the off-years when you're not up for renewal, you are still required to submit a short "Attorney Verifications Form" online. This yearly form can take as little as 15 minutes to complete. OCR manages each contractor's renewal schedule and emails you the form you're scheduled to complete each March. Contact OCR at any time to ask about your individual schedule or to request sample forms.
- **Q: OCR did not email me individually with a form link on March 1.**
A: Please notify rebeccagarrison@coloradochildrep.org as soon as possible. Do not ask for someone else's email or link—they may have received instructions to access a different form.
- **Q: Where do I tell OCR that I want to change what case types I take, where I take cases, or another change?**
A: The Change of Status Request Form is separate from the application or verification forms and is available on OCR's website year-round at www.coloradochildrep.org/attorney-center/change-of-status-request. The best time of year to request a change for new pickup status or additional case types is during the application cycle (and before the deadline for applications) when OCR is evaluating district needs.

- **Q: Why did OCR change my contact information on an Appointment List?**

A: The contact information you enter on each year's online form will be used to update OCR's Appointment Eligibility List(s) published online and to the courts, regardless of what was previously on the list. You should enter your name exactly as you want it to appear on published lists and, if you have multiple addresses, be sure to provide the one you want published to the courts. YEARLY ATTORNEY VERIFICATIONS (Note: Verifications are also part of the Renewal form)

- **Q: I recently renewed and I did not expect to fill out another form until I am up for renewal again at a later date.**

A: All OCR contractors are required to complete one online form every March. Most contractors are only required to complete the more rigorous Renewal Application every three years in March. However, in the off-years when you're not up for renewal, you are still required to submit a short "Attorney Verifications Form" online. This yearly form can take as little as 15 minutes to complete. OCR manages each contractor's renewal schedule and emails you the form you're scheduled to complete each March. Contact OCR at any time to ask about your individual schedule or to request sample forms.

- **Q: Where do I upload my malpractice insurance?**

A: Starting in 2017, contractors are no longer required to upload a copy of malpractice insurance or to provide coverage dates. Simply follow the online form instructions to certify whether you currently have and will maintain coverage.

- **Q: Where do I upload my Affidavit of Compliance?**

A: A notarized Affidavit of Compliance is no longer required. Instead, attorneys who served on any OCR case since 7/1/15 will certify whether they were in compliance with [CJD 04-06](#). OCR's online form will provide space to list exceptions.

- **Q: Where do I list the trainings I attended this year?**

A: Contractors are no longer required to itemize hours of individual OCR trainings they have attended. Instead, contractors will simply certify (yes/no) whether they have met the yearly requirements. Contractors can select "no" but must follow up with their OCR Staff Attorney by June 1st to allow time for any additional follow-up before the fiscal year ends.

- **Q: I didn't get prompted to upload my Open Cases List.**

A: The list of open OCR cases to which you remain appointed is only required of attorneys who are not eligible for new OCR case appointments but who have open OCR cases. If you indicate you are eligible for new OCR case appointments on the first page of the form, you are not required to submit this form and will not be prompted to do so.

RENEWAL APPLICANTS

- **Q: I am up for Renewal. Do I need to complete an Attorney Verifications Form as well?**

A: No. The Attorney Verifications Form contents are folded into the Renewal Application so that you only have to complete one form.

- **Q: Where do I enter case references' contact information? Do I need to ask my case references to write letters or get in touch with OCR?**

A: You should have already submitted case references' contact information to OCR via an online form in December or early January. Contact rebeccagarrison@coloradochildrep.org if you're unsure. You do not

need to ask case references to contact OCR; OCR will contact your references. You only need to notify your references that OCR may be contacting them.

- **Q: The Renewal form says I will receive an email invitation to schedule a Renewal Application Interview time in June. I have not received this email.**

A: There is a delay between the time you submit your Renewal Application online and the time you will receive your scheduling invitation. All applicants should receive a scheduling invitation by April 15. Please contact rebeccagarrison@coloradochildrep.org after that date if you are up for renewal but haven't scheduled a Renewal Application Interview.
